RE: Hydro Facility Crest Dam
Alternatives Analysis Consultant Qualifications

The Village of Swanton received 5 Qualifications Statements from Hydro Consulting Firms for an Alternatives Analysis for a failed dam crest gate technology. Representatives from the Village reviewed the proposals and selected the top firms to move to the next phase of the selection process.

- Gomez and Sullivan
- GEI Consultants
- Hazen and Sawyer

The Village will be in touch with these 3 firms soon with more details on the next steps in the selection process.

The Village extends our appreciation to all the highly qualified firms that submitted qualifications statements. We will keep your information on file for future reference.
