

VETERAN'S MEMORIAL BRIDGE

B-6 Bridge on Depot Street was constructed in 1966
Age related issues must be addressed

Preferred Alternatives Presentation July 14th at 6:00pm

**Swanton Village Complex
120 First Street**

Virtual link to the meeting available on the agenda at www.swantonvt.gov

VT Agency of Transportation is providing the majority of funding for this project and will present options to repair or replace the bridge. The project cost, implementation schedule, and local cash match percentage will be determined by the Alternative selected by the Trustees.
