

LAMOILLE VALLEY RAIL TRAIL USER SURVEY

We want to hear from you!

In order to provide you with a high-quality recreational experience, the Vermont Rail Trails Program is conducting a survey of trail users.

This survey will take about 8-10 minutes to complete. Survey results will help us to plan for a better experience- from improved amenities like parking along the trail to better connections with trail towns.

Survey results will be shared with the Vermont Rail Trails Program and the LVRT Council.

Thank you!
