RE: River Overlook Structure Removal and Reconstruction

The Village of Swanton received 2 qualified bids by the deadline for removal and reconstruction of a River Overlook Structure.

The Village has determined that it does not have the adequate funding at this time to move forward with the project and it will be considered in the next budget cycle. The bids received are below:

- Menard Handyman and Property Maintenance \$17,118
- Vermont Construction Academy \$21,150

Thank you for your submission.
