Dear Jennifer

The Swanton Village Board of Trustees met on Monday evening, June 8th and have denied your request for a Conditional Use Permit allowing you to have 45 chickens on your property located at 1 Lefty Lane in the Village of Swanton. Your request was denied because your lot size is .25 acres, which allows you to have only 15 birds.

The Trustees have agreed to give you five months to rectify this situation by rehoming 30 of your chickens. This will need to be done by November 8, 2026 to be in compliance.

If you have any questions, please let us know.
